HOLIDAY CHEER

TURKEY DINNER HOT LUNCH

The much-anticipated annual Turkey Dinner was a success! Students and staff enjoyed a beautifully prepared hot lunch that brought warmth, community spirit and a touch of holiday cheer. The festive atmosphere and visit from Frosty the snowman made the event the highlight of the week.

This beloved tradition is made possible through the dedication of our Home and School volunteers, who spent countless hours planning, prepping, cooking and serving to ensure every Black bear received a hearty meal. We extend our thanks for their hard work, generosity and ongoing commitment to creating meaning experiences for our black bears!
